### Product Summary

#### **Product Description**

Large Storage Space and Portability

Carry your world with you wherever you go with the Transcend JetFlash 350. This thin and compact pen drive comes with 32GB storage space to store loads of movies, videos, music and files and access them easily on the go. Powered by USB v2.0, it runs without any external electric or battery support and easily connects with various USB-compatible devices. Featuring plug and play installation,

retrieving and accessing your stored files from this pen drive is a breeze. This Transcend JetFlash 350 black sports a contoured body and an LED status indicator.
